**Subject:** Re: FW: JACKSON DRAW 18-27H - COGCC review Form 2A (Doc 400125140) for EOG Resources

Sorry Rick,

My email does appear to have a hyphen instead of an underscore, I apologize for the typo.

**1) Water Resources:** I approve changing the distance to nearest water well from 4891 feet to 1909 feet. As well as Approve changing the sensitive area designation from No to Yes.

Thank you !!

**Subject:** FW: JACKSON DRAW 18-27H - COGCC review Form 2A (Doc 400125140) for EOG Resources

Nanette,

The email below bounced (it looks like the email address on the Form 2A has a hyphen?). Second attempt.

Rick

Hi Nanette,

The COGCC is reviewing the Form 2A oil and gas location assessment for the JACKSON DRAW 18-27H well location in the NWNW Sec27 T9N R61W, Weld County, and requests the following changes to the Form 2A that EOG has submitted:

**1) Water Resources:** The surveyor map shows the nearest water well to be located 1909 feet south-southwest of the proposed location, which appears to coincide with a windmill shown on USGS maps. Please approve me changing the distance to nearest water well from 4891 feet to 1909 feet.

**2) Water Resources:** The location is within the Upper Crow Creek Designated Basin, and therefore a sensitive area. Please approve me changing the sensitive area designation from No to Yes.

Please contact me if you have any questions regarding this Form 2A.

Best Regards,

Rick Allison, P.G.
