Permit	I spoke with Al Trujillo Colorado Department of Wildlife (CDOW) about XTO Energy's proposed locations in the Bosque Del Oso State Wildlife Area (SWA). Al Trujillo (CDOW) and his staff are aware of XTO Energy's plans for the proposed locations and further, there is an existing SUA in place for operations in this area; I also spoke with Kyla Vaughn (XTO Energy Inc.) and they are currently operating in the Bosque Del Oso SWA under the original SUA executed by Williams and CDOW. Engineer	1) Provide 48 hour notice of MIRU to John Duran at 719-846-4715 or email John.Duran@state.co.us. 2) Provide cement coverage of production casing from TD to 50' above surface casing shoe. Verify coverage with cement bond log. 3) Immediately cease operations and notify the COGCC in the event of any operational problem that could potentially impact water wells in the area.	1/18/2011 3:56:29 PM
