Attachments: Noble Lorenz Supp Form 27 Rem #5465 2-3-11.pdf

Marty,

COGCC approves of the planned remediation to address residual soil and groundwater contamination at the subject location. A copy of the signed, supplemental Form 27 is attached for your records. Please continue to reference Remediation #5465 on future documentation related to this cleanup.

Thank you,
John

John,
Here is the documentation we discussed. Let me know if this is sufficient.
Thank you.
