RE: Notice of Surveying for  
Vallejo 32-19 and 32-19 TR Wells located in  
T33S-R67W, Section 19: SW/4NE/4  
Las Animas County, Colorado

Dear Mr. and Mrs. Vallejo:

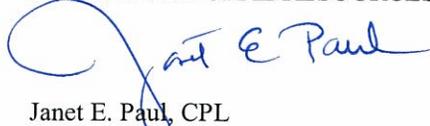

Due to requests from the Colorado Oil and Gas Conservation Commission, we are writing this letter to inform you that Pioneer Natural Resources USA, Inc. ("PNRUSA") or one of its subcontractors will be on or around your property located in T33S-R67W, Sections 18 and 19: Rancho Escondido Unit 1, Lots 1, 2, 3 and 4 within the next 180 days; however, we may be surveying in as little as a day or two. We will be conducting surveying operations with the intention of possibly moving the well sites, roads and/or pipeline right-of-ways that lie on or near your surface according to the Tax Assessor's records of Las Animas County, Colorado.

PNRUSA will not actually be doing any construction at this time. We will contact you again in advance of future work in this area. Feel free to call me in Denver at 303-675-2683 or by using the toll free number at 1-800-553-1645 should any questions arise. If you are in the Trinidad area, please contact Chris Sanchez at 719-845-4328.

Thank you in advance for your consideration.

Sincerely,

PIONEER NATURAL RESOURCES USA, INC.
