John,

Based on the information submitted, COGCC requires no further action at this time in regard to the release at the subject location. The release (SPILL #2608926) and Remediation #5485 have been changed to closed status in the Colorado Oil & Gas Information System. Please retain a copy of this email as verification of COGCC concurrence with the closure request.

Please give me a call if you need any additional information.

Thanks,

Nancy Prince
