Depth to ground water determined from Water Well Permit #160858-A, which is the closest water well with depth to groundwater information. This water well lies to the northwest of the location in Section 18 T11N R62W. The closest water well is Water Well Permit #261503 which is located to the east-northeast of the location in Section 21 T11N R62W. The closed loop system utilized to drill the referenced well is a semi closed loop system. Drilling mud and cuttings will be remediated prior to burial onsite.
