Re: COGCC Rule 603.a.(2)  
Chaulk Bluffs 2-19H  
Weld County, Colorado

Dear Mr. Horton:

EOG Resources, Inc. (EOG) as Operator of the above said well, located within the NWNE of Section 19, T11N, R65W, hereby requests a surface property line waiver in accordance to COGCC Rule 603 a (2) (referenced below). The referenced wellbore is located approximately 143 feet from your eastern property line. All EOG's operations will be confined within Mr. Tim Lind's property (see attached topo).

Pursuant to COGCC Rule 603 a.(2); A well shall be a minimum distance of one hundred fifty (150) feet from a surface property line. An exception may be granted by the Director if it is not feasible for the operator to meet this minimum distance requirement and a waiver is obtained from the offset surface owner (s). An exception request letter stating the reasons for the exception shall be submitted to the Director and accompanied by a signed waiver (s) from the offset owner(s). Such waiver shall be written and filed in the county clerk and recorder's office and with the Director.

EOG respectfully requests that you waive the COGCC Rule 603 (2) offset requirement by signing and dating this letter. Please return a copy of your preference in the postage-paid, return-addressed envelope provided.

In addition, EOG has proposed an access road that will cross you lands within Section 19, T11N, R65W. An EOG land representative will contact you to negotiate a surface damage agreement for the proposed access road.

We greatly appreciate your time and consideration in this matter. If you have any questions, please contact me at 303-824-5576.

Sincerely,

Jennifer Yu  
Regulatory Administrator
