Re: Waiver to COGCC Rule 603.a.(2)
Chaulk Bluffs 2-19H
Weld County, Colorado

Dear Director:

EOG Resources, Inc. (EOG) is the Operator of the above said well, located within the NWNE of Section 19, T11N, R65W. The referenced wellbore is located approximately 143 feet from Mr. Frank Horton's property line, therefore, requiring a property waiver pursuant to COGCC Rule 603.a.(2). An EOG representative has met with both the landowner and offset property owner and they both agreed to EOG drilling the referenced well at the proposed location. A signed waiver and Rule 305 requirements are attached.

EOG respectfully requests that you approve a surface property line waiver in accordance to COGCC Rule 603a.(2). in support of both the surface owner and offset property owner as the referenced location will not affect their land use plans and the well maintains proper well spacing.

We greatly appreciate your time and consideration in this matter. If you have any questions, please contact me at 303-824-5576.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Yu".

Jennifer Yu
