Dear Mr. Neslin:

Please let this letter serve as a request for administrative approval of an exception location in accordance with Rule 603a.(2) for the captioned oil and gas wells.

The above referenced wells were staked less than 150' from a property line. EnCana has obtained a signed waiver from the encroached upon surface owner. A copy of that waiver is enclosed for your file.

Thank you for your assistance in this matter. If you have any questions or comments, please call me at (720) 876-5288.

Very truly yours,
ENCANA OIL & GAS (USA) INC.
