Craig,

The proposed Synergy wells for which you requested a 305 waiver are in the NE quarter of Sec 29, T1N, R68W. That section was annexed to the Town of Erie and is the prior Denver landfill site.

Weld County has no concerns regarding the drilling of these wells, please contact the Town of Erie regarding the waiver. The Town may have permits that Synergy will need prior to drilling.

Call me with any questions.

David Bauer, P.E., CFM
