**RE: Larissa 32-35
Exception Location Request
Las Animas County, CO**

Dear Mr. Neslin:

Concerning the referenced proposed well, Pioneer Natural Resources USA, Inc. respectfully requests your consideration for an Exception Location to COGCC Rule 318a which stipulates that a well shall be a minimum distance of 600 feet from a lease line. Pioneer is requesting this exception due to geologic and topographic conditions; the combination of well positioning for geologic and severe topographic constraints. This well would be 320 feet away from the nearest lease line.

Should you have any geologic questions or wish to have the surface location inspected, please contact me at (303) 675-2611 at your earliest convenience.

Sincerely,
Pioneer Natural Resources USA, Inc.
