## Memorandum

To: McGlothlin 43-17 Well File  
From: Steven Lindblom – Environmental Supervisor  
CC: Steve Ulrich – Landowner  
Andy Peterson - HRM  
Date: May 12, 2011  
Re: Ulrich - HRM Onsite Inspection

---

This Memorandum summarizes discussions regarding HRM Resources (HRM ) well McGlothlin 43-13 that occurred during the Onsite Inspection in Section 17 Township 6N, Range 66W in Weld County on May 11, 2011. Attendees included staff of the Colorado Oil and Gas Conservation Commission (COGCC), representatives of HRM, and the surface owner, Mr. Steve Ulrich. A complete list of attendees and contact information is included with this Memorandum as Attachment 1.

After an introduction and overview of the Onsite Inspection policy, discussions focused on the proposed location of the tank battery and access road issues

After discussions, HRM agreed to locate the tank battery at the landowners preferred location and to improve the access road to facilitate truck traffic to and from the tank battery. No further issues were noted.
