RE: Request for permit issuance without notice or consultation due to special circumstances. Rule 303.1.(1)

Dear Mr. Neslin:

EnCana Oil & Gas (USA) Inc. would like to request permit issuance without notice or consultation for the form 2A & permits submitted on the ON1 pad in Sec 1 T8S-R97W due to a requirement by the BLM to set conductor on at least 1 well on this pad before June 30, 2011 in order to not have leases terminate. This location is on Federal surface and Federal minerals. We received the approved Federal permits for these wells on 5-23-2011.

Sincerely,
