

The map displays the Bering Sea region with a grid of latitude and longitude coordinates. A scale bar at the top indicates distances from 0 to 100 miles. A north arrow is located in the top right corner. The map shows various oil and gas fields, including Patriot B, Klein B, and others. Key features include a large black circle labeled 'PATRIOT B16-69HN' with a dashed line connecting it to a red circle, and a large red circle labeled 'PATRIOT B16-17' with a dashed line connecting it to a black circle. Other fields shown include Bloskas, Bauer, Williams, and Peterson. The map also includes a legend for symbols and a title 'Bering Sea'.

The governmental ¼ Section has less than 8 bottom hole wells producing from the Codell, Niobrara, and J-Sand formations.
