That will work for both the Pad 2A and the Tank 2A.

Subject: Orr USX A03-15D Multi-well pad Form 2A Document # 400176867, Noble

Justin,

The COGCC is reviewing the Form 2A (#400176867) for the Noble Orr USX A03-15D multi-well pad location, located in the NWSE Sec 3 T6N R64W Weld County, Colorado. The COGCC requests the following changes regarding the data submitted on or attached to the Form 2A prior to passing the Oil and Gas Location Assessment (OGLA).

1. Date Planned to Commence Construction: The first date that Noble could begin construction is July 21, 2011 (Due to the 20 day comment public comment period). The Form 2A currently states that construction will begin on July 15, 2011. The 2A should be amended to state that construction will begin on July 21, 2011.

If you have any questions or concerns please feel free to contact me.

Thanks,

Arthur
