Section 3: SE/4 (Actual Footages: 1980' FSL & 660' FEL)
Kiowa County, Colorado

Dear Mr. Tallman:

Mull Drilling Company, Inc. ("MDC") plans to drill the above referenced well on your land in Kiowa County, Colorado, approximately November 1, 2011.

As you are aware, this location was staked on Wednesday, June 22, 2011. MDC will now begin the permitting process in Colorado which involves several forms, maps and plats that we file with the Colorado Oil & Gas Conservation Commission ("COGCC").

Included with this letter is a brochure prepared by the COGCC entitled, "Oil and Gas Well Notification, Consultation, and Reclamation Rules: Information for Oil and Gas Operators, Surface Owners and Surface Tenants." Also included is a form for you to fill out and send back to MDC in the enclosed postage-paid envelope. Please provide the following information on the form:

1. Circle either **waives** or **does not waive** on the **Thirty-Day Notice Waiver** section. This letter satisfies the COGCC requirement (Rule 305) to provide 30-day notice before drilling.

If you circle **does not waive**, then in addition to this letter, we will also send you copies of the COGCC Form 2A, a list of major equipment components, well location plat & topographic map, ingress map as they become available. We will also send you notice of any subsequent well operations that will materially impact surfaces beyond existing road or well sites and notice of final reclamation of the drillsite.

If you circle **waives**, then we will not send you a copy of the COGCC and surveyor forms or provide the additional well operations & final reclamation notices. We will still contact you, or your designated representative, prior to moving any machinery onto your land in preparation to drill this well.

2. Circle either **requests** or **does not request** on the **Request for Consultation Meeting** section. A good time to have a consultation meeting is when we have surveyors out on your land to stake the well. If this is your choice, please check the space next to "Hold Consultation Meeting when the well is staked." If you would prefer to meet a different time and location, please indicate your preferred date, time and location.

3. Please fill out the **Designated Representative (Agent/Tenant)** with the name and contact information of the person you would like to designate to meet with an MDC employee for the above consultation and who we should contact prior to the start of drilling operations. This can be a tenant, an agent or yourself.

4. Please print your name, telephone number, sign and date in the appropriate blanks under the **Surface Owner** section.

The MDC field employees which you will likely be in contact with are the following:

Bill Stutz, CO Production Foreman	Cell Phone: (719) 343-5182
Carl Smalley, Environmental Manager	Cell Phone: (719) 342-1812
Tracy Akers, CO Production Supervisor	Cell Phone: (719) 342-1813

If you have any questions about this letter or the enclosed form, please give my assistant, Tannis Tritt (800-658-1632, Ext. 122), our Land Manager, Ava Ross (Ext. 121) or me (Ext. 113) a call.
