RE: Exception Location Request Rule 318A.a (1)
Aristocrat Angus 0-8-3 Well (SHL-450' FSL/733' FWL: BHL-50' FSL/150' FWL)
Weld County, CO

Dear Director:

Please let this letter serve as a request for administrative approval of an exception location for the captioned oil and gas wells.

EnCana Oil & Gas (USA) Inc. ("EnCana") proposes to drill the above referenced wells at a surface location outside a legal drilling window as defined by Rule 318A.a(1). EnCana has obtained a signed waiver from the surface owner acknowledging this location is outside of the standard drilling window as defined by Rule 318A. A copy of that waiver is enclosed for your file

Thank you for your assistance in this matter. If you have any questions or comments, please call me at (720) 876-5288.

Very Truly Yours,

EnCana Oil & Gas (USA) Inc.

A handwritten signature in black ink, appearing to read "Nick Curran", is written over a large, faint, stylized "E" that serves as a background for the signature.
