Dear Ms. Allely:

Kerr-McGee Oil & Gas Onshore LP ("KMG") plans to begin operations to plug and abandon the above referenced oil and gas well as soon as possible upon receipt of a permit, but prior to November 30, 2011. The operation at the wellhead will not require much use of the surface beyond the normal area used to access the well.

The Colorado Oil and Gas Conservation Commission's brochure for surface owner's containing the rules pertaining to notice of oil and gas operations, reclamation and opportunities for consultation thereon, as well as, the rules of procedure for filing complaints and making applications for hearings is enclosed. You as surface owner have the responsibility to notify any affected tenant of this operation.

Should you have any questions and/or concerns about the final reclamation of your lands, please contact me at (303) 655-4350 or my cell at (970) 590-6249.

Very truly yours,

KERR-MCGEE OIL & GAS ONSHORE LP
