---

August 16, 2011

Dear Mr. Kilstrom:

The Colorado Oil and Gas Conservation Commission has approved Antero's Surface Hole Cuttings Waste Management Plan submitted August 11, 2011. The following additional Conditions of Approval have been added.

1. Antero will not transfer materials to a third party without prior written approval of the COGCC Environmental Department.
2. Additional sampling may be required at request of the COGCC.
3. Antero is responsible for determining if the transfer of materials to a third party would be considered disposal of solid waste and shall ensure compliance with State of Colorado Solid Waste Regulation 6 CCR 1007-2.

The document tracking number is 2215325. Refer to this tracking number when submitting documents or data related to this plan. A schedule for submittal of the initial report shall be set by August 19, 2011.

Please let me know if you have any questions or comments.

Sincerely,

Margaret Ash, Manager Field Inspection Unit
