Permit	Question 36 indicates that this is not part of a location assessment. However, Document #400177065 appears to be the 2A for this location, therefore answer to 36 should be "yes"?. NKP	6/28/2011 3:51:21 PM
Permit	Surface location does not match the location provided on the Plat. Quarter quarter should read lot 15 not SW SW. No plugging bond number. Please place attachments under the correct header as individual documents. Locations in attachments has been corrected, bond number added, qtr/qtr corrected. 6/28/2011 NKP	6/22/2011 3:42:42 PM
