Dear Mr. and Mrs. Heiby:

("Chesapeake") is required as mere formality to provide advance notice of its expected commencement date of operations with heavy equipment on your property described above as well as a plat of the proposed locations and contact information. This letter shall serve as such notice.

Please be advised that Chesapeake intends to commence its operations on or about November 01, 2011. This date however is subject to change, and should that occur, Chesapeake will make every attempt to notify you of any such change.

Furthermore, please find enclosed a plat of the proposed well site, facility and road locations. As you are probably aware, Chesapeake's operations on your property will include, but are not limited to, the construction and operation of certain road(s), production facilities and well site location(s). Such well site location may be used for the drilling of multiple horizontal wells. Additionally, should circumstances arise that warrant changes to these locations, contact will be made for discussion of said changes.

Lastly, a representative from Chesapeake will attempt to make contact with you within 24 hours prior to entry onto your property. Should you have any questions in the mean time, please feel free to contact the following Chesapeake representative:
