Liz,

I've gotten more clarification on how to describe the lease situation for these well locations.

A. Even though you have three leases, we really only need to include one in the lease description. Below is your response to my email of 9/15. I'd appreciate your help identifying the appropriate lease to include on the Form 2. If you approve, I'll add: 1) lease description, 2) acreage and 3) distance to lease line based on your response to these 3 questions. **APPROVED, SEE BELOW:**

1. Viola Herman, dated 4-24-1974, which covers the following  
**Township 1 North, Range 46 West**  
Section 5: S2S2  
Section 6: SE  
Section 7: NE  
Section 8: N2NE, NW  
containing 720.00 acres.

B. This well is in the area covered by Order 329-5. With your permission, I'll add that to the Objective

Formation tab. **APPROVED**

C. Because Noble's original statement was that the entire section is pooled, with your approval, I will change the unit acreage to 640 on the Objective Formation tab, indicate that the unit configuration is all of Section 8, and will add the note that all of Section 8 is pooled to the Operator Comments text box. **APPROVED**

Please call to discuss if you would like.

Thanks,

*Nancy K. Prince*
