Bill,  
We are ok with Navex and their drilling this well.

Hello Tim,  
I have a request for the APD to be expedited.  
Location: NWSW sec. 16 T19S R 50W.  
It's a case of the rig potentially moving out of state unless retain by scheduling this location.  
Does Navex Resources have the State Land Board bonding necessary?  
Thanks,  
Bill
