Kathleen - This is the monitor well we spoke about yesterday morning. Michelle followed up the Form 5 with a sundry noting no perfs and no logs were run. This is a vertical monitor as such a directional survey did not occur.

Thanks,

Kaylene,

SIMBA 1-06  
123-31035

I received the forms for the above well. In order to complete the processing please submit to me the following items:

1. Hard copy of all logs run
2. Upload the digital copy of all logs
3. Email to me the directional survey side and top profile.
4. Submit a Form 5A with perfs, any treatment and status of Waiting On Completion.

Please contact me if you have any questions.

Thanks,
