Dear Mr. Neslin:

Encana Oil & Gas (USA) Inc. ("Encana") is planning to drill the captioned well in accordance with the provisions of COGCC Rule 318A.e.

Encana's proposed wellbore spacing unit consists of the W2 of Section 4 T1N-65W, creating a 320-acre wellbore spacing unit, therefore Encana hereby attests that no notice letters are required under COGCC Rule 318A.e.(6)

Enclosed is a copy of the map illustrating the proposed wellbore spacing unit to assist you in your review and approval of Encana's proposed APD for the captioned well.

Thank you for your assistance in this matter. If you have any questions or comments, please contact me at (720)-876-5288.

Very truly yours,

ENCANA OIL & GAS (USA) INC.
