Kallasandra,

The COGCC is reviewing the Form 2A (#400221508) for the Petron Development Company Renzelman 2-11 location, located in the SENE Sec 11 T1N R45W Yuma County, Colorado. The COGCC requests the following changes regarding the data submitted on or attached to the Form 2A prior to passing the Oil and Gas Location Assessment (OGLA).

Facilities

As per our previous email regarding mud disposal I suggest amending the method of disposal to Evaporation and Burial. **Petron concurs.**

## Sensitive Area Determination

Because the location falls within the Northern High Plains Designated Area the Sensitive Area tab will be amended to yes. **Petron concurs.**

If you have any questions or concerns please feel free to contact me.

Thanks,

Arthur
