Bill,

In reference to the below question, there is no connection between the Bondad 33-10 #19 APD and the 50 page document "Re: Bondad 33-9 #9A Exception Location Section 23-33N-9W, La Plata County, CO". I am assuming that the attachment was scanned in to the incorrect location when it was received from us (Bondad 33-10 #19 is not a NSL). Thus the "Re: Bondad 33-9 #9A Exception Location Section 23-33N-9W, La Plata County, CO" should be removed from the APD file for the Bondad 33-10 #19. If you have any other questions please feel free to contact myself or Heather.

Hey Heather,

As I promised I am reviewing the Bondad 33-10-19.

Issue: There is a 50 page attachment on this APD.

That waiver request is: "Re: Bondad 33-9 #9A Exception Location
Section 23-33N-9W, La Plata County, CO"

If there is a connection to the Bondad 33-10-19 it is not obvious to me.

Please review and clarify.

Thanks,

Bill
