RE: Request for Expedited Approval of Forms 2 and 2A  
**\*See attached list**  
Phillips County, Colorado

Dear Mr. Neslin,

Black Raven Energy, Inc. ("BRE") is contractually committed to their financial partners and their drilling contractor to drill a specific number of wells by December 31, 2011. Currently, available BRE permits that would have allowed for the completion of the wells by Dec. 31 have been condemned by previous drilling. The listed locations satisfy our geologic and geophysical criteria and the expedited approval of the Form 2 & 2A drilling permits will allow BRE to meet their contractual obligations. The issuance of the referenced permits is respectfully requested.

Rule 303.I provides for the approval of Form 2s and Form 2As without the Rule 305.c 20-day Comment Period. Rule 305.c of the Colorado Oil & Gas Conservation Commission (COGCC) provides for a 20-day comment period on each Form 2 and Form 2A. BRE obtained all the waivers from the LGD and surface owners acknowledging that there is no protest of the issuance of the permits under these rules. Copies of the waivers have been submitted with each of the permits.

BRE, as operator, intends to drill the referenced wells immediately upon the expedited approval of Form 2 and Form 2A of the COGCC.

We respectfully request administrative approval of these waivers for this location.

Thank you for your consideration in this regard. If you have any questions please feel free to contact the undersigned at 303-308-1330 x 136.

With kind regard,  
Black Raven Energy, Inc.
