Dear Mr. Neslin,

Bayswater Exploration & Production, LLC is planning to drill the above mentioned wells at the locations listed above, placing the surface hole locations outside of the GWA drilling windows.

The locations are being permitted as exception locations. Bayswater Exploration & Production, LLC has obtained written permission contained in a waiver from the surface owner for an exception to COGCC Rule 318A.a(1).

Bayswater Exploration & Production, LLC requests that the COGCC review the enclosed information and approve the requested exception location request and Application for Permit to Drill for the above captioned well. Thank you for your attention to the enclosed.

Very Respectfully,

Kallasandra M. Moran  
Regulatory Technician, Petroleum Field Services  
Agent for Bayswater Exploration & Production, LLC
