Dear Ms. Hilfers,

Synergy Resources Corporation plans to drill the above oil and gas well from the above described surface location.

Rule 318A(a) of the Colorado Oil and Gas Commission's Rules and Regulation requires the well(s) drilled in a square with sides four hundred (400) feet in length, the center of which is the center of any quarter/quarter or a square with sides eight hundred (800) feet in length, the center of which is the center of the quarter section.

Please waive this requirement below showing your approval of the new well(s) being drilled at the location referenced above. Should you have any questions, please contact Craig Rasmuson at 970-737-1073.

Sincerely,

Craig Rasmuson  
Synergy Resources Corporation

*As there is no deviation as  
the surface set forth on  
exhibit "B" of the leases.*

Dear Director,

Synergy Resources Corporation respectfully requests the Director approve an exception to Rule 318A to allow the SRC-Klein well(s), listed above, to be drilled at the above referenced location. Rule 318A(a) of the Colorado Oil and Gas Commission's Rules and regulations requires wells to be drilled/completed in a square with sides four hundred (400) feet in length, the center of which is the center of any quarter/quarter section or in the center of any quarter section with the four sides being (800) feet in length. The well being permitted is an exception location at the request of the surface owner.

Synergy Resources Corporation has obtained written permission from the surface owner. Should you have any questions, please contact Craig Rasmuson at (970) 737-1073. Thank you for your consideration.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Craig Rasmuson', is written over the 'Sincerely,' text.
