This form is to be completed whenever a Sundry Notice is submitted requiring detailed report of work to be performed or completed. This form shall be transmitted within 30 days of work completed as a "subsequent" report and must accompany Form 4, page 1.

5. DESCRIBE PROPOSED OR COMPLETED OPERATIONS

Upon further review, and after conferring with Alex Fischer for confirmation by phone on 1-18-12, the soil samples (lab results attached) from the Moffat 22-11-1 did not exceed the concentration levels for TPH as set forth in the 910-1 tables. Gulfport Energy therefore requests a waiver of the COAs requiring submittal of the Form 27 for soil remediation.
