Subject: RE: WD Federal 14-7 R Form 15

David,

Recently the COGCC released an eForm for Pit Permits. As part of the process of creating the eForm Pit Permit some changes were made to information required to complete the permit application. The following information is necessary for completion of the Pit Permit for the WD Federal location.

- Date the pit was constructed
- Method for offsite Disposal of pit contents. If the method is Surface discharge please provide the permit #.

If you have any questions feel free to contact me.

Thanks,

Arthur
