---	---

Provide a detailed description of the accident, problem, and cause (equipment failure, human error, etc.):

A completions contractor tripped over a surface line during flowback operations and strained his knee. The injury was reported as a first aid case as the injured did not seek medical attention initially following the injury. The incident occurred on December 24, 2011 and the case was elevated to a recordable injury on March 7, 2012 when the contractor was placed on restricted work duty status by a physician. Shaun Kellerby with the COGCC was notified of the incident by e-mail at 12:26 PM on March 7, 2012.

**OTHER NOTIFICATIONS**

List the parties and agencies notified (County, BLM, EPA, DOT, Local Emergency Planning Coordinator or other).
