Good Morning, Diane,

Thank you for the delivery of the offset mineral owner waivers for the above wells. I received what looks like two sets of signed letters and postcards for the 96X.

I also received a copy of the surface owner notification for the 97X and 98X.

I am assuming that you will be sending copies of the offset mineral owner waivers and signed postcards for the 95X, 97X, and 98X when you get them.

I will wait to pass the APD's for the 96X and 95X when I receive all the waiver letters.

Thanks and have a great weekend,
