COGCC Comments

| Comment | User | Date |
|--|---------|------------|
| Producer has re-distributed top soil and re-seeded the well site. NOAV to be closed conditionalized to a pre-determined settlement schedule. Be advised roads left in place will require a release requested by the surface owner and the producer and must be approved by the COGCC Director. Well site requires 2 growing seasons or adequate coverage of (80%) of pre-disturbance levels. | precupj | 04/04/2012 |
