Dear Mr. Neslin,

Bayswater Exploration & Production, LLC is planning to drill the above mentioned wells at the locations listed above. The closest proposed well location has been staked at 75' S of the off-set property owner's property line. The location is being permitted as an exception location. Bayswater Exploration & Production, LLC has obtained written permission contained in a waiver from the surface owner for an exception to COGCC Rule 603.a.(2).

Bayswater Exploration & Production, LLC requests that the COGCC review the enclosed information and approve the requested exception location request and Application for Permit to Drill for the above captioned well. Thank you for your attention to the enclosed.

Very Respectfully,

Kristi McRedmond  
Regulatory Technician, Petroleum Field Services  
Agent for Bayswater Exploration & Production, LLC
