Dear Mr. Young:

This letter is regarding the pending Location Permits for the following Anadarko oil and gas wells: Hawthorne 24-8, Hawthorne 27-15H, and Houlihan 4-1H. As the Arapahoe County LGD, I had made a comment regarding a Condition of Approval for the permit related to public information to surrounding property owners for the above-mentioned wells. Following discussions with Anadarko, we have reached a preliminary agreement and are in the process of resolving this particular issue with Anadarko. Based on our discussions and negotiations with Anadarko and assuming that we are able to consummate our preliminary agreement we are willing to remove the Condition of Approval from the aforementioned Location Permits.

If you have any questions regarding this matter, please contact me.

Sincerely,

Sherman Feher  
Arapahoe County  
Local Government Designee
