Mark,

We are currently drilling the 2<sup>nd</sup> well on a four well pad. Carrizo is requesting you waive the 30 day notice. We submitted the Form 2 for the 3<sup>rd</sup> well 6/20/2012.

The well is located:

Pergamos 2-4-34-7-60

SWSE Section 4 T7N R60W 6<sup>th</sup> PM Weld County Colorado

Location Name Pergamos 4-44-7-60 Location ID 423984

Form 2A Doc Number 400266900 Approved

**303. REQUIREMENTS FOR FORM 2, APPLICATION FOR PERMIT-TO-DRILL, DEEPEN, RE-ENTER, OR RECOMPLETE, AND OPERATE; FORM 2A, OIL AND GAS LOCATION ASSESSMENT.**

I. Where the proposed oil and gas location is for multiple wells on a single pad, a drawing showing proposed wellbore trajectory with bottom-hole locations c. 305

**C Comment period.** The Director shall not approve the Form 2A, or any associated Form 2, for twenty (20) days from posting pursuant to Rule 305.b, and shall accept and post on the Commission's website immediately upon their receipt any comments received from the public, the local governmental designee, the Colorado Department of Public Health and Environment, or the Colorado Division of Wildlife regarding the proposed oil and gas location. The Director shall extend the comment period to thirty (30) days upon the written request during the twenty (20) day comment period by the local governmental designee, the Colorado Department of Public Health and Environment, the Colorado Division of Wildlife, the surface owner, or an owner of surface property who receives notice under Rule 305.e. The Director shall post the extension on the COGCC website within twenty-four (24) hours of receipt of the extension request.

Carrizo is requesting this waiver because the rig is on location drilling the 2<sup>nd</sup> well of 4 and it would be very costly to move the rig to another location and then back to your location.

Carrizo would like to spud this well Friday June 29<sup>th</sup>, 2012

Thanks You in advance: Please sign and send back to me ASAP
