Ladies and Gentlemen:

In accordance with the requirements of Rules 305.e.(1).A. and 305.e.(1).B. of the Colorado Oil and Gas Conservation Commission ("COGCC"), this letter serves as advanced notice by Encana Oil & Gas (USA) Inc. ("Encana") of its intention to conduct drilling operations on the following wells located on your property:

Canyon Creek 4-13	Canyon Creek 33-13
Canyon Creek 4-6-13	Canyon Creek 34-13
Canyon Creek 4-8-13	Canyon Creek 43-13
Canyon Creek 8-6-13	Canyon Creek 44-13

This letter is being sent to you because EnCana intends to re-file the permits for these wells as they are set to expire soon. Encana's operations are estimated to begin in the first quarter of 2012 pending receipt of required permits, approval of title and drilling rig availability.

The locations of the wellsites, access roads, production facilities and other related matters have already been determined per the Compatible Surface Use Agreement dated May 10, 2011, and are depicted on the enclosed plat.
