Dear Mr. Kerr,

Bayswater Exploration & Production. LLC is planning to drill the above mentioned wells at the locations listed above. The surface hole locations of Bayswater Exploration & Production's above mentioned wells have been staked outside of the 318A.a drilling window. The location is being permitted as an exception location and Bayswater Exploration & Production, LLC has obtained written permission contained in a waiver from the surface owner.

Bayswater Exploration & Production, LLC requests that the COGCC review the enclosed information and approve the requested exception location request and Application for Permit to Drill for the above captioned wells. Thank you for your attention to the enclosed.

Very Respectfully,

Kristi McRedmond  
Regulatory Technician, Petroleum Field Services  
Agent for Bayswater Exploration & Production, LLC
