Dear Mr. and Mrs. Lightsey:

Matrix Energy, LLC is planning on drilling a well on the property east of land owned by you in 2012. They are governed by the rules of the Colorado Oil and Gas Conservation Commission and the rules require all wells be a minimum of one and half times the derrick height from any adjacent property line, unless a waiver is signed by you. The well will be located 156 feet from your property line.

This letter will verify your consent to locate the well 156' from your property line. We will not enter on your property at any time.

Please signify your consent to the proposed surface location of the Arellano 43-10-12 oil and gas well by your signature below. Thank you for your time and consideration.

Yours truly,

Dan L. Schwartz  
Co-Manager
