Arthur: Future date for construction will be in September 12, 2012. Mud will be disposed of on-site. I hope to get the water samples from the 2 closest water wells this week and get them to the lab. I just got on line and checked the status of application. Is approval still slated for October 7, 2012?

Stephen,

The COGCC is reviewing the Form 2A (#2237332) for the Ramsey Property Management State of Colorado 2-36, located in the NESE Sec 36 T34S R43W Baca County, Colorado. The COGCC requests the following changes to the information provided and acknowledgement of conditions of approval prior to passing the Oil and Gas Location Assessment (OGLA).

Construction

The date to commence construction is in the pas (7/15/2012). Please provide a date in the future to commence construction.

Please describe the method of mud disposal that will be used on the location. Is the mud going to be disposed of on or off site?

If you have any questions or concerns please feel free to contact me.

Thanks,

Arthur
