Jack,

The COGCC is reviewing the Form 2A (#400320248) for the Wiepking-Fullerton Energy Raptor #2 location, located in the NESE Sec 18 T10S R55W Lincoln, Colorado. The COGCC requests the following changes regarding the data submitted on or attached to the Form 2A prior to passing the Oil and Gas Location Assessment (OGLA).

Distance to nearest building

A review of aerial photos available on the COGCC website indicate that the closest building is approximately 900 feet from the propose location. The 2A should be amended from 1,200 feet to 900 feet.

Please let me know if you have any questions or concerns.
Thanks,

Arthur

If you have any questions or concerns please feel free to contact me.

Thanks,

Arthur
