DRILLING COMPLETION REPORT

This form is to be submitted within 30 days of the setting of production casing, the plugging of a dry hole, the deepening or sidetracking of a well, or any time the wellbore configuration is changed. If the well is deepened or sidetracked a new Form 5 is required. If an attempt has been made to complete/produce a well, then the operator shall submit Form 5A (Completed Interval Report.) If the well has been plugged, a form 6 (Well Abandonment Report) is required.

Completion Type ☐ Final completion ☒ Preliminary completion

			<input type="checkbox"/>	<input type="checkbox"/>	

Comment:

Well was drilled but not to TD. Surface casing was set and the well was shut in. When drilling has been completed and logs run a new 5 and 5A will be submitted. Noble anticipates resuming drilling once the issue has been resolved.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
