TOTAL:

- All accounts are to be paid within the terms listed by Mesa Wireline and should there be no payment within the specified time, the account will be charged to the date of delinquency.
- Because of the uncertain conditions existing in a well which are beyond the control of Mesa Wireline, it is understood by the customer that Mesa Wireline cannot guarantee the results of their service and will not be held responsible for personal or property damage in the performance of their services.
- Should any Mesa Wireline instrument be lost or damaged in the performance of the operation requested, the customer agrees to make every reasonable effort to recover same and to reimburse Mesa Wireline for the value of the instrument which cannot be recovered or the cost of repairing damaged instruments.
- It is further understood and agreed that all depth measurements shall be supervised by the customer or its employees and customer hereby certifies that the above, as shown, were approved.
- The customer certifies that it has the full right and authority to order such work on each well and that the well in which the work is to be done by Mesa Wireline is in proper and suitable condition for the performance of said work.
- No employee is authorized to alter the terms or conditions of this agreement.
