AFFIDAVIT AND SUMMARY OF TESTIMONY OF ARLEN J. HERSHBERGER

East Cheyenne Gas Storage, LLC (the "Applicant"), through its attorneys, submits the following affidavit and summary of testimony in support of its Verified Application to Update and Amend Order Issued in Cause No. 5-2 filed October 6, 2010.

1. I am a professional landman and an expert in oil and gas land issues. The Applicant has contracted with me to manage land issues relating to this enhanced recovery and gas storage project. My resume marked as Exhibit 25 summarizes my qualifications and experience. I have personal knowledge of the facts presented in this Affidavit and Summary.

Section 36: SE $\frac{1}{4}$ NE $\frac{1}{4}$ and the E $\frac{1}{2}$ SE $\frac{1}{4}$

(the "D-2 Application Lands").

5. I have reviewed and studied the Logan County property records for the D-2 Application Lands. The names and last known addresses of interested parties as defined in Rule 507.b(1) and (3), the Colorado Department of Public Health and Environment, the Colorado Division of Wildlife and the local governmental designee for Logan County, Colorado are listed in the attached Exhibit 20.

6. The Order issued in Cause No. 5-2 stated that it "shall become effective, as provided by law, upon further Order of the Commission following a demonstration by the Applicant that 80 percent or more of the royalty interest owners have approved and consented to the proposed unit."
