IN THE MATTER OF THE RULES AND CAUSE NO. 1
REGULATIONS OF THE COLORADO OIL AND DOCKET NO. 11-6
GAS CONSERVATION COMMISSION, WELD
COUNTY, COLORADO

NOTICE OF HEARING

TO ALL INTERESTED PARTIES AND TO WHOM IT MAY CONCERN:

On April 20, 1992, the Commission adopted Rule 127, into the Rules and Regulations of the Oil and Gas Conservation Commission which allows tracts of land to be designated as high density areas upon application, notice and hearing before the Commission.

Under Colorado Revised Statute 34-60-116(2) the Commission was authorized to establish exploratory drilling units for the purpose of obtaining evidence as to the existence of a pool and the appropriate size and shape of the drilling unit to be applied.

On October 5, 1993, Eugene L. Habrock and Pamela A. Habrock, by their attorney, filed with the Commission a verified application for an order to establish the NW1/4 of Section 24, Township 6 North, Range 67 West, 6th P.M., Weld County as a high density area. In addition, the applicants wish to have the NW1/4 of said Section 29 established as N1/2 and S1/2 80-acre exploratory drilling and spacing units for production from the Sussex and Shannon Formations, with the permitted wells to be located in the center of the quarter-quarter with a tolerance of 200 feet in any direction, and authority for the Director to grant exception well locations with proper waivers provided.

NOTICE IS HEREBY GIVEN, that the Oil and Gas Conservation Commission of the State of Colorado, pursuant to the above, has scheduled the above-entitled matter for hearing on:

Date: Monday, November 15, 1993
Time: 9:30 a.m.
Place: Room 318, State Centennial Building
1313 Sherman Street
Denver, Colorado 80203

In accordance with the Americans with Disabilities Act, if any party requires special accommodations for this hearing, please contact Mara Jauch 894-2100 ext. 469, prior to the hearing and arrangements will be made.

Pursuant to said hearing in the above-entitled matter at the time and place aforesaid, or at any adjourned meeting, the Commission will enter such orders as it deems appropriate to prevent the waste of oil and gas, either or both, in the operations of said field, and to carry out the purposes of the statute.

Any interested party desiring to protest the granting of the application or to intervene should file with the Commission a written protest or a notice to intervene no later than November 9, 1993, briefly stating the basis of the protest or intervention. A fee of forty-five (\$45.00) shall accompany an original and eight (8) copies of such documents filed with the Commission.
