2. While preparing the documents for a lien on Ms. Messer's property, Assistant Attorney General Enger recommended the original order be amended to allow Ms. Messer to sign a guarantee of performance in accordance with § 34-60-106 (13)(a) C.R.S. as financial assurance for the domestic gas well, rather than incurring the expenses to prepare a lien agreement.
3. Ms. Messer has provided the Commission with a financial statement of her net worth.
4. Assistant Attorney General Enger has prepared a guarantee of performance for Ms. Messer's signature.
5. At the time of the administrative hearing, after discussion and revision, Ms. Messer has agreed to execute the guarantee of performance.
