Subject: High Sierra Water Services C8 - Inspection

Dear Mr. Garcia:

On October 16, 2012, the Weld County Dept. of Public Health and Environment conducted a routine inspection of the C8 Class II Injection Well and Recycling Facility, located at 61635 WCR 77, Weld County, Colorado. The purpose of the inspection was to assess the facility's compliance with the approved Use by Special Review Permit Number 1769 (USR-1769) and applicable Weld County Code.

Based on the inspection the facility was in compliance and the water recycling facility had not been constructed. A copy of the inspection form is attached. If you have any questions regarding this inspection, please contact me at 304-6415, extension 2219.

Sincerely,

Troy E. Swain
Waste Program Coordinator
