Subject: High Sierra Water Services C7 (SWD C7A) Inspection

Dear Mr. Garcia:

On October 16, 2012, the Weld County Dept. of Public Health and Environment conducted a routine inspection of the C7 Class II Injection Well and Recycling Facility, located at 35859 County Road 74, Weld County, Colorado. The purpose of the inspection was to assess the facility's compliance with the approved Use by Special Review Permit Number 1747 (USR-1747) and applicable Weld County Code.

Based on the inspection, the facility was in compliance with USR-1747 and the water recycling plant was not in operation. If you have any questions regarding this inspection, please contact me at 304-6415, extension 2219.

Sincerely,

Troy E. Swain
Waste Program Coordinator
